Lisa Stapleton Departs SanGIS

All-

I have accepted a new position with the City of San Diego. My last day as Executive Director of SanGIS will be October 27. Until the SanGIS Board directs otherwise, SanGIS Operations Manager Frank Jessie will assume all administrative responsibility for SanGIS. You may reach Frank at 858-874-7010 or via email at fjessie@sangis.org.

It has been an adventure working with RUIS and SanGIS since 1984 and I have enjoyed working with staff at all levels of the County and City along with working with many other public agencies, private companies and the general public. I'm leaving you all in the very capable hands of the outstanding staff of SanGIS who have overcome many obstacles and provided excellent support to our users for the last 9 nine years. Words cannot express my gratitude and affection for this dedicated team.

*You may never realize this unless you go to work for another agency, but **together** we have truly accomplished great things in GIS here in San Diego... things that other regions can only dream about. I wish you all more great things in the future!*

Lisa
